comes now William Perry Lacey With his Law suite against
Mr Jerry Sandusky And Penn State University for the sexual
Abuse he suffered from his mentor (Mr. Sandusky) in the Fall
and Winter of 1978 And The Spring of 1979. Mr. Lacey will
go into great detail about his Abuse That may shock
The court. Before I go into detail let me say I'm
Sorry upfront for the words I may use. I am filing
this on my own behalf as I am in prison and can not
afford an attorney. This suit is being filed for
the following reasons.

In the Fall of 1978 both of Mr. Lacey's
parents Mr. Elvis T. Lacey And Mrs. Shirley Ann (Johnson) Lacey
CN

Sent him to stay with his Aunt Dottie Johnson in Jefferson
Town, Pa Because he was getting into trouble with the
Locate Police, it was hoped that Aunt Dottie could
straighten out Mr. Lacey's behavior. Mr. Lacey behaved
himself for awhile then started hanging out with the
Wrong group of kids and started getting into trouble.
Mr. Lacey had a hard time making friends and could be
talked into almost anything. Mr. Lacey was introduced
to Second Mile Foundation and Mr. Sandusky became
Mr. Lacey's mentor. Mr. Sandusky took Mr. Lacey
to the movies, out to eat and ice cream and
we when swimming and Penn State football
games, I met all the players and even the
coach, Mr. Sandusky was an assistant ~~coach~~
coach at the time, I remember when we were
swimming he would help me put on my swim
suite, I thought why did he do this, I
thought that it must be something that
parent do for there kids, Mr. Sandusky
was my hero, I loved he like he was my
real daddy as my real daddy was used no
when I was with Mr. Sandusky I must of been
14 to 15 years old but looked like a 9 to 10 year
old I always looked young for my age, also

When I was with missandusky I ~~wore~~ wore
Diapers, As I Wet The Bed, so my mom &
dad made me wear diapers And Babyish
Plastic pants, I Was Treated Like a Baby
But When I Was With Mr. Sandusky I Could
Act older, Some Time Though he Babysat me
When I Spent Nights With him, And he Diapered
Me for The Night, After A While of Staying
With him We Started To Shower Together in Penn.
State Locker Room, I Would See him Naked
And Noticed he had a Big hard on, But
I Then Looked Away And Finished my shower
he Would At Time Tickle me AND I Would Laugh A lot
Then one day he Told me he Wanted To play a game
And he Put his ~~Cock~~ COCK UP To my ~~Mouth~~ Mouth or
I Should say down AS I was smaller than
him And he told me to Suck it and if I did
a good Job I Would get A reward, So I did it
not knowing That it was wrong, he paid me
5.00 After words as my reward, I Thought I was
rich And could by anything, After maybe two weeks
he asked me if I wanted a bigger reward I said
Yes Smiling up at (3) him he Soaped up his

dick and my Asshole And told me he was going
TO Fuck me it would hurt A Little, it did not
hurt a Little it hurt a Whole Lot AND I
bled a lot I Thought I was going to
die he told me no one would Believe me if
I said anything and if I said anything
he would hurt me and my Family I was
real scared and did not know what to do, he
Fucked me in The ^{Ass} Several Times in The pen
State Showers, I remember someone
came into The Locker room but never
saw who it was, I was sent back home
to my parents in The spring of 1979 Because I
was no longer getting into Trouble, I never
told anyone what went on as I was very
scared And he told me no one would
Believe me, And he'd hurt my Family
Well Thats all for now will tell more at
a later time.

it should also be noted that because of the sexual abuse he suffered from Mr. Sandusky that Mr. Lacy tryed to kill himself in 1980 he took over 120 long tablets of Valium I was in a coma for awhile then was civilly committed to the Independence mental hospital in Independence Iowa. I've been through a lot trying to get over from this sex abuse, I've been in and out of the mental hospital a lot, I've been in jail I've been in prison trying to ~~overcome~~^{relieve} my pain and nightmare's now I suffer from so many mental illnesses I don't know what to do, I do know that Mr. Sandusky was the cause behind it all.

Thank you,
Billy Lacy
